3. For a recapitulation of IAC comments see attached table. The State dissent on the EE/USR paper in this represents a difference in forecasting based on undisputed facts. The State dissent on the WE paper represented one point of major disagreement regarding the current situation and several quibbles resulting from reading interpretations into the paper at variance with State views.

SECRET

4. Generally cooperation is good: It is excellent with Air, very good with Navy, and good with State and Army.
